MEMORANDUM FOR: Comptroller  
Director of Security  
General Counsel

SUBJECT: Concurrence in the Competitive Promotion  
Regulation and Handbook

1. On 13 September, at its 32nd meeting, the CIA Career Council approved the proposed Competitive Promotion System and made final revisions in the approved regulation and handbook which are attached. The Council requested that special coordination procedures be used in order to cut down the time normally necessary for coordination. The members of the Council themselves are at present reviewing these proposed issuances and giving their written concurrences.

2. It is accordingly requested that you indicate your concurrence or comments on the attached sheet and return it as soon as possible to the Executive Secretary of the CIA Career Council, Room 262, Curie Hall. The Council hopes that by following this procedure it will be possible to put the new system into effect without delay.
